***Open Dance Project's
The Wonderful Wizard of Oz***

**Sunday, April 13th
12:30 - 1:30pm
at Zilkha Hall**

On Sunday, April 13th at 12:30 pm, I am going to Zilkha Hall at The Hobby Center.

When we get there, we will park the car in the parking garage and walk into the building together.

First, we will go through the security check.

Then we will walk to the box office to collect our tickets for the show.

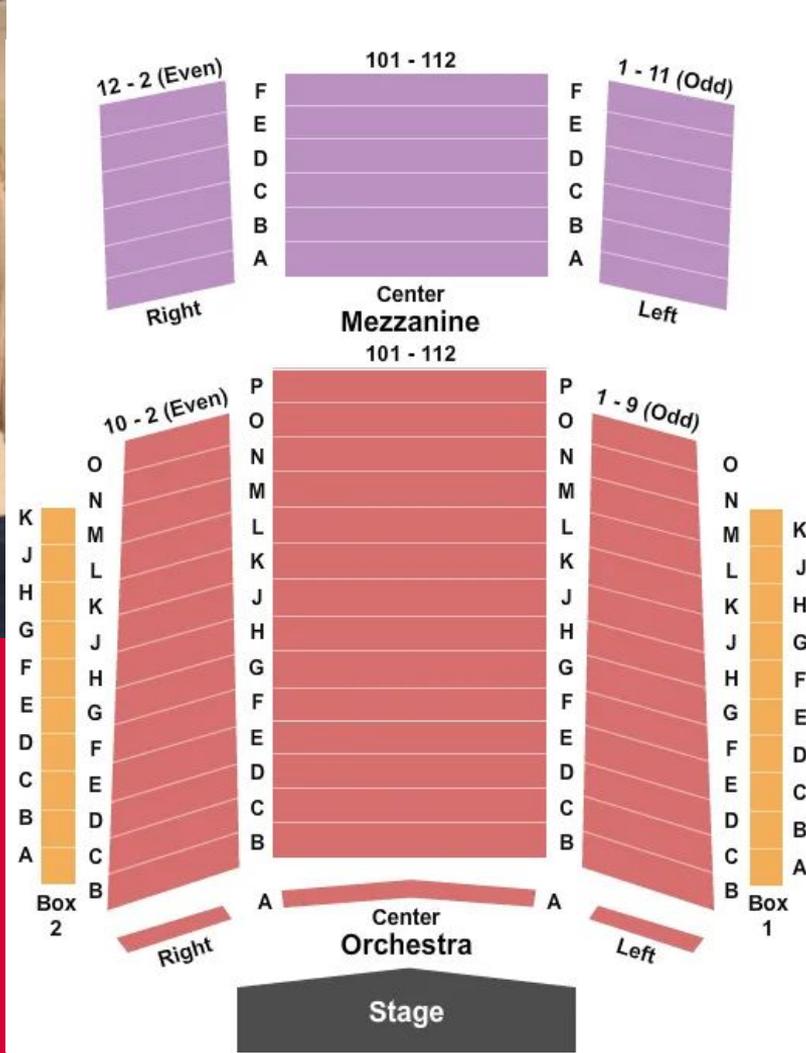

If there is a line, we will wait patiently for our turn.

**Even though I
can go at any
time, it is a
good idea to
use the
restroom
before the
show starts!**

Then, we will wait in the lobby until it is time to go inside the theater to find our assigned seats.

We can ask for help finding our seats if we need to.

In the theater lobby, I can choose a fidget toy or pick up headphones, if I need them.

The show will last one hour and I can ask for a break at any time.

**Once we walk to
our seats,
we will sit and
wait for the show
to start.**

**When the show starts,
the lights in the theater will get darker...**

**...there will be a short
announcement about the show...**

**...and then the performance will
start.**

In Dance Theater the performers use their bodies and their voices to tell the story. The Lion may roar very loudly and The Wizard's voice may boom so it makes you feel a rumble in your body, but it is safe.

If it is too loud or I don't like how the rumble feels, I can wear my headphones or take a break outside of the theater.

**Sometimes, the people on stage
will ask the audience
If they have any questions..
That includes me!**

**I can choose if I
want to join in with
the people around
me or not.**

Once the show is over, the people on stage will bow, the audience will cheer, and the lights will get brighter.

After the people on stage leave, it will be time for us to walk back to our car and go home!

**There are a lot of helpers
at the Hobby Center.**

**They will be able to help us and answer any questions I might have
while we are there to enjoy the show!**
